

Wriggly Snake

Have you ever wanted to own a pet snake? Be a recycling champ by transforming toilet rolls into a wriggling cardboard reptile.

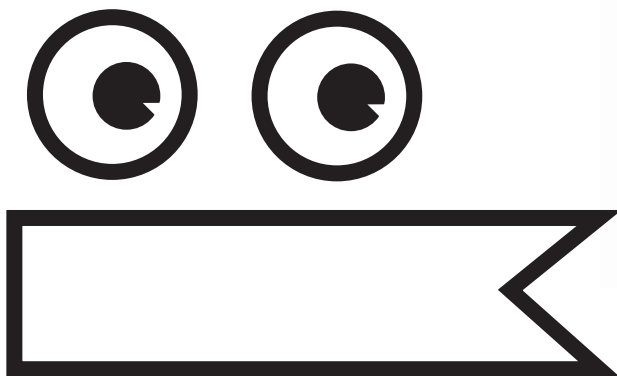

Materials

- 4 plain toilet rolls
- Paint or markers
- Scissors
- Ribbon or string
- Stapler
- Glue

Instructions

- 1 Paint and decorate your toilet rolls & tongue and leave to dry.
- 2 Ask an adult to help cut the toilet rolls in half, leaving a full one for the head.
- 3 Starting at the head, staple the tongue and ribbon (or string) to one end of the roll. Then thread the remaining ribbon through all the toilet rolls and staple the ribbon to the last one so they all stay connected.
- 4 Finish your reptile with more painted scales, eyes and get wriggling!
